The Subaru Forester is a compact crossover SUV manufactured since 1997 by Subaru. Available in Japan from 1997, the Forester shares its platform with the Impreza. It has been awarded Motor Trend's 2009 and 2014 SUV of the Year and The Car Connection's Best Car To Buy 2014. Takata Airbag Inflator Recall. Subaru is committed to the safety and protection of our drivers and the ones they love. As part of that commitment, we've made it easy to learn more about the Takata airbag inflator recall — the largest recall in automotive history, currently affecting vehicles across the industry — and how your Subaru may be impacted. The EyeSight owner's manual says it needs to be recalibrated, so the windshield people were correct to tell you that. The manual does not go on to explain WHY it needs calibration, nor how noticeable the difference would be in day-to-day driving if the calibration was needed but didn't occur.
