

# Download Common Core Lesson Plan Template

## Math

This editable lesson plan template is a power point file and includes landscape lesson planning templates for reading, ELA, math, content and back to school, lesson plan samples from my first week of school, and a blank lesson planning template. These are great planning templates for those of you that teach in a way that ensures all students learn takes careful planning. Use this workshop model lesson plan and make sure the needs of all your learners are met. This is a sample lesson plan template that I use for Guided Reading plans. It is very easy to use. Simply print & make copies. Fill in the weekly information for each group & check off the skills that you want to cover that week. I love this format because it quick & easy! I am in t... Why Use a Lesson Plan Template? Some schools have strict rules about which type of lesson plan teachers are required to use. They provide the template and train teachers on how to use them ...
