We have the best products at the right price. Ok, Ive done alot of searching on the subject with mixed results. I have a 2000 explorer with a 5R55E auto with control trac. Its a 4L sohc. I have a 93 explorer sport with a good M5OD-R1 and 4.0L OHV with everything intact. It has been totalled from rearend damage. I was wondering if i could swap this transmission into my 2000 OHC.
