

# Download Florida Security Officer Training Manu

f. Security Officer Instructor — Class “DI” license — Any individual who teaches or instructs at a Class “DS” Security Officer School or Training Facility shall have a Class “DI” license, except instructors who are full-time faculty members and who teach exclusively for public educational facilities are exempt. A Security Officer serves as a symbol of the stability and authority upon whom the students, faculty and staff can rely. A Security Officer’s conduct is noticed to a greater extent than other employees and, when actions are found unwarranted, excessive, or unjustified, they are judged far more severely than the conduct of other employees. Training/Experience. If you qualify for a Class “DI” security officer instructor license under Rule 5N-1.138(1)(e)-(g), Florida Administrative Code, proof of such qualification is sufficient to satisfy the training requirement. If you received relevant military training or education during service in the United States Armed Forces,...As of January 1, 1997, Oregon began the regulation of the private security industry. The private security industry works together with the administering agency, the Department of Public Safety Standards and Training, to improve the professionalism in the private security industry and thereby increase the public trust.
