

Download Flourish A Visionary New Understanding Of Happiness And Well Being

With this unprecedented promise, internationally esteemed psychologist Martin Seligman begins Flourish, his first book in ten years—and the first to present his dynamic new concept of what well-being really is. Traditionally, the goal of psychology has been to relieve human suffering, but the goal of the Positive Psychology movement, which Dr. Seligman has led for fifteen years, is different—it's about actually raising the bar for the human condition. With interactive exercises to help readers explore their own attitudes and aims, Flourish is a watershed in the understanding of happiness as well as a tool for getting the most out of life. On the cutting edge of a science that has changed millions of lives, Dr. Seligman now creates the ultimate extension and capstone of his bestselling classics, Authentic Happiness and Learned Optimism.
