Fronius Customer Service: 03 8340 2900. Fronius is a European company established by founder Günter Fronius in Austria in 1945. The company grew over time from being a welding and battery charger manufacturer to become one of the most prominent European players in the solar market. In the frequent “play around” with weld controls industry, an industry that often searches for an electronic power source crutch or the latest magic three part gas mix to solve its weld quality issues, the common lack of arc weld process controls – best weld practice expertise daily plays a major role in the hundreds of millions of dollars that result daily from unnecessary weld ...Special post by Bruce Lin and Matthew Klippenstein [Edit May 11 – corrected PG&E peak price to \$0.36 not \$0.40/kWh – \$0.36 was used in the calculation] There’s an MBA joke about scaring your clients by asking them “What’s your China strategy?”.
