

# Download Geometry Semester 2 Review

This site contains high school Geometry lessons on video from four experienced high school math teachers. There are also packets, practice problems, and answers provided on the site. The game is based on the following Common Core Math Standards: CCSS 3.G.1 Understand that shapes in different categories (e.g., rhombuses, rectangles, and others) may share attributes (e.g., having four sides), and that the shared attributes can define a larger category (e.g., quadrilaterals). TTU K-12 is an online educational solution. We are affiliated with Texas Tech University, a Tier-One Research Institute, boasting a high-quality curriculum.
