

# Download How To Discover Your Personal Painting Style

Step 2: Choose one image that best represents each of your choices from step one. Step two is a hard one for a lot of people. What you need to do is choose one painting or drawing or photo that best represents your choices from step one. For example, let's say you chose Audrey Kawasaki. How to Find Your Style: A Guide for Artists What is Your Style? Style is learned, adopted, manipulated, and developed over time. Sometimes on accident, sometimes on purpose, and often times both. Your style is a combination of your voice, techniques, color choices, compositions, subject matter, media, and more all wrapped up. In this artist's manual, Richards, an award-winning painter who works in several media, shifts the focus from technique to personal style. Above all, he encourages the reader to develop a personal point of view and a vision to impart through art. Discover Your Personal Painting Style. Instructor: Carla Golembe.
