Psychology: Browse last pages, blog posts, check sitemap, get Teaching Materials and share knowledge with the thinkib.net IB community. Core; The biological level of analysis; General learning outcomes; GLO1 Outline principles that define the Biological Level of Analysis; GLO2 Explain how principles that define the Biological Level of Analysis may be demonstrated in research.; GLO3 Discuss how and why particular research methods are used at the biological level of analysis.; GLO4 Discuss ethical considerations related to ... The sample below is one of three exemplars that I will be using with my students. They are all from the same experiment, there is a "high", a "mid" and a "low" scoring internal assessment. The experiment by Rogers, Kuiper and Kirker (1977), which focuses on the self-reference effect, can be found here. The appendices are not included on this page, but they are available in the annotated version ...
