

Download Lycoming Aircraft Engine Troubleshooting Guide

Aerotech Aircraft Services provides replacement alternators for corporate, military and general aircraft. Brands include Prestolite, Ford, Delco and Chrysler. We are a Plane Power alternator dealer. NOTE: To search for a specific publication, use the search bar located at the top, right hand corner of the screen. The most common technical data documents (drawings, instructions, ICA, operating guides, excreta...) are listed below. To access these documents you will need to login or register for an account. Additional instructions and information can be found on individual kits and parts on their individual item pages. Some legacy (older) documentation may not be available on website (contact us). Sky-Tec offers lightweight, high-torque starters that are leading the aircraft industry for Lycoming, Continental, Franklin and Rotax engines.
