

# Download Math The First 20 Days Of Kindergarten

During the first 20 days of math workshop, you will emphasize math-ematical practices that are the “habits of mind” and “ways of being” that students will need in order to become proficient mathematicians. There are eight practices (CCSS, 2012) to lay the groundwork for during this period. 1.Math Workshop first 20 days calendar (freebie) Math Workshop first 20 days calendar (freebie) . Visit. Discover ideas about Math Rotations ... Fun math warm-ups or lesson starters for guided math lessons.
