

# Download Memorial Order Of Service Guide

If you would like the guests to have a memento or remembrance, you can provide a special printed handout or bookmark. This can be as simple as a picture of your loved one with their birth and death dates, the order of service and a cherished Bible verse. Check with the funeral home or coordinator, as they may provide this for you upon request. Skip to content. The booklet known as the “Order of Service” (also known as a Memorial Service program or Funeral Program) is the document that is printed which outlines the highlights the main aspects of the memorial or funeral service. Most often times, the deceased’s family gets the information ready for this “Order of Service”. What to Include in a Memorial Order of Service Template. You should also include any special ceremonies you wish to include in the service. This can be a candle lighting ceremony, musical tributes, or readings. You should be sure to include who is performing, leading, or singing, as well as their relationship. A memorial service is an honoring of a loved one. It is an opportunity to mourn and say goodbye with the support of family and friends. A small group from the family, or best friends are usually involved in planning a memorial service. It is best if one person takes the lead in maintaining the contact and setting up conference calls.
