Use features like bookmarks, note taking and highlighting while reading Post-Truth: The New War on Truth and How to Fight Back. He analyses the concept of post-truth and the circumstances through which it came to dominate – arguing that Trump is a symptom of post-truth not a cause of it. He looks at how post-truth affects our society today in the form of fake news, conspiracy theories, and the devaluation of science and truth. Post-Truth: The New War on Truth and How to Fight Back and millions of other books are available for Amazon Kindle. Learn more Enter your mobile number or email address below and we'll send you a link to download the free Kindle App. Post-Truth: The New War on Truth and How to Fight Back by Matthew D'Ancona is a delightful and timely book for anyone who needs a primer on the complicated information environment in which we now find ourselves. I happened to come across it quite by accident at Blackwell's when giving talks at Oxford on, of all things, participatory propaganda and fake news.
