

# Download Research Methods For Criminal Justice And Criminology

The field of criminal justice may deal with some pretty seedy characters, but when it comes to conducting research into cases presented to the courts, two types of methodology will help solve crimes. The first is quantitative---figures and statistics splashed across graphs, reports, charts and spreadsheets---the nuts and bolts of data that provide irrefutable substantiation of theories.FSU's College of Criminology and Criminal Justice is home to the nation's number one criminology faculty in the world.
