This assumes that the next employer uses EPIC. It also assumes that things like embedded SmartLists aren't unique to the institution's build, but they probably are. Epic Help: creating your own smart phrases Creating your own smart phrases in epic can save a lot of time. If you routinely give certain counseling or ask a certain set of ROS questions, it is easy to put them in just the same way we do it in Sunrise (with a period followed by the phrase you chose). In the world of EHRs these are known as smart phrases or dot phrases. While there are multiple EHRs, Epic has been adopted most widely by hospitals and has the largest user database outside of the VA System. Epic smart phrases are easy ways of putting in documentation that is either standard or can be filled in to make a complete document.
