A = Less than or equal to 60k miles, or greater than 60k miles ...1993 Subaru Justy — This car was given to me by a friend. It had a 1.2 liter 3 cylinder engine, 5 speed manual transmission! Haha. 33 mpg city / 37 mpg highway. It was fun to drive but always seemd like you were going so fast and was kinda odd driving it on the freeway. lol
