

Download Taking Back Our Lives In The Age Of Corporate Dominance

Taking Back Our Lives in the Age of Corporate Dominance presents alternatives to being victimized by a pressure-cooker lifestyle and buffeted by the winds of global change. It draws the connections between our lives and the culture, the economy, and the vast forces moving us closer to the edge. Taking Back Our Lives in the Age of Corporate Dominance. Never before have so many people felt the American Dream crashing down around them. The corporate framework -- which values competition and the bottom line above all else -- keeps people running after an elusive goal and impinges on their personal lives. Taking Back Our Lives in the Age of Corporate Dominance shows the links between our mundane everyday struggles and the global corporate economy, image-driven media, and the relentless pace which consumes us all. And it tells us how we can change things by transforming both our work and leisure. Taking Back Our Lives in the Age of Corporate Dominance shows the links between our mundane everyday struggles and the global corporate economy, image-driven media, and the relentless pace which consumes us all. And it tells us how we can change things by transforming both our work and leisure.
