What is it worth? Estimating the value of a rig can be challenging. We collect prices paid by real hams over the years to help you estimate the current value of the Ten-Tec Century 22 (579). Just bought or sold this model? Let us know what you traded it for and help other ham operators!

The Ten-Tec Century 21 is an interesting transceiver. In the simplest sense it was an ideal radio for the Novice Licensed HAM operator of the 1970s. It is a CW only transmitter. It doesn't require fiddling with a resonant tank circuit of the typical tube radios of the era to work out resonance.
