

# Download The Architecture Of Howard Van Doren Shaw

One of Chicago's many strengths is its amazing architecture. The style and craftsmanship found in this city is like no other. After the Great Chicago Fire of 1871, architects from all over the world came to Chicago to help rebuild, laying the foundation for the eclectic skyline that we enjoy today. The buildings and architecture of Chicago have influenced and reflected the history of American architecture. The built environment of Chicago is reflective of the city's history and multicultural heritage, featuring prominent buildings in a variety of styles by many important architects. Since most structures within the downtown area were destroyed by the Great Chicago Fire in 1871 (the most ... Marktown is listed in the National Register of Historic Places based on its unusual Old World architecture and the snapshot it provides of young industrial America. Marion Mahony Griffin (February 14, 1871 – August 10, 1961) was an American architect and artist. She was one of the first licensed female architects in the world, and is considered an original member of the Prairie School. Her work in the United States developed and expanded the American Prairie School.
