John Patrick O'Neill (February 6, 1952 – September 11, 2001) was an American counter-terrorism expert, who worked as a special agent and eventually a Special Agent in Charge in the Federal Bureau of Investigation. In 1995, O'Neill began to intensely study the roots of the 1993 World Trade Center bombing after he assisted in the capture of Ramzi Yousef, who was the leader of that plot. A powerful B12 formula fueled by the premium source of B12 - methylcobalamin - for TWICE the B12! Garrett M. Graff is a journalist, historian, and speaker. His latest book, Raven Rock, is an eye-opening true story of the government's secret plans to survive and rebuild after a catastrophic attack on US soil. Muslims are part of the plan, if you haven't figured that out by now...jeeze. The history of islam is sketchy, and in my opinion is no different from any other "redeemer" fanatic abrahamic religion that the "tribe" fabricated.
