Touchstone 2nd Edition is an innovative new series for adult and young adult learners of English. It draws on extensive research into the Cambridge International Corpus of North American English - a large database of everyday conversations and texts that shows how people actually use English. ESL Textbooks. A textbook is the classic way to teach ESL and form a basic structure to any ESL program. We compiled what we believe to be the best, featuring products from Oxford, Cambridge University Press, Prentice Hall, Pro Lingua, and more.
