Introduction Television at the crossroads Television in substantially its present form has been with us for nearly 50 years. It is a tribute to the National Television Standards Committee (NTSC) that the color television standards agreed upon in the early 1950s have performed remarkably well making quite efficient use of valuable radio spectrum space ...Back to Audio and Misc Repair FAQ Table of Contents. Maintenance and Troubleshooting Guide SAFETY The only danger to you in most audio equipment and the other devices covered in this document is from the AC line connection (if any) and getting sucked into any mechanical people traps.
