

Download You Just Dont Understand Women And Men In Conversation

You Just Don't Understand: Women and Men in Conversation [Deborah Tannen] on Amazon.com. *FREE* shipping on qualifying offers. Women and men live in different worlds. . . made of different words. Spending nearly four years on the New York Times bestseller list If so, please buy this book. You will understand why men are how they are (and it's not male-bashing, it's just scientific observations), and maybe you will be able to help your man understand you better and you will understand your man better. You Just Don't Understand chapter summaries 1. In this chapter the author discusses the differences in communication styles between men and women. Men are said to focus on hierarchy, competition and independence. In contrast women focus on building intimacy and connection through conversation. In reading Deborah Tannen's essay "You Just Don't Understand: Women and Men in Conversation," I was found to believe that the main idea of this essay was the language of everyday conversation. The subject of Deborah Tannen's essay would be in my opinion the difference in which males and females use communication skills. When it [...]
